Privacy Consent

The information collected will be used for the purpose of providing treatment to you.

1. Personal information will be used to address accounts to you, process payments and write to you about our services.
2. We may disclose your health information to other health care professionals or require it from them if it is necessary in the context of your treatment, in that event, disclosure of your personal details will be minimised wherever possible.
3. We may use parts of your information for research purposes as this may provide benefits to other patients. Should this happen your personal identity will NOT ever be disclosed.
4. Photographic records prior to, during and after treatment may be taken for educational purposes: case discussions and presentations.

Financial Consent

I am aware that full payment for treatment is required by cash, bank cheque, eftpos, visa or mastercard (unless alternative payment arrangements have been agreed upon prior to treatment).

If I have private dental health insurance, I am responsible for verifying availability of any rebates for dental prosthetic treatment. I am aware that the practice is not responsible for any amount I can or cannot claim.

I understand that at least 24 hours notice is required to reschedule an appointment or a cancellation fee may apply for failure to do so.
